

BECOME A STATE/REGIONAL REPRESENTATIVE!

Are you interested in getting involved with the Aquatic Section, then look no further and sign up to be a State/Regional Representative. The section is creating a grass-roots network of aquatic therapists to connect with students and members who need more information and want to get connected to section projects.

Responsibilities include:

1. Two year commitment
2. Attending quarterly membership conference call
3. Contacting new members within their regional within the first two months of membership
4. Talking with member about volunteer opportunities and connect them with the appropriate board member to get them involved
5. Being a resource to direct people in the region (example: referrals, practice issues, legislation, research, clinical affiliation)
6. Creating improved communication within section
7. Connecting members with mentors
8. Illustrating the value of membership to potential members in schools and facilities via presentations/communication
