

EXCELLENCE IN AQUATIC THERAPY AWARD

This award is an attempt for the Aquatics PT Section to recognize exceptional research, exemplary dedication, and/or extraordinary dedication to the comprehensive field of aquatic therapy. The intent of this award is to fulfill the Section's commitment to the diverse aspects of aquatic therapy by recognizing those whose influence has driven this area of physical therapy.

REQUIREMENTS: In order for the application to be considered, the following must be completed and received in the Aquatic PT Section Office by midnight of the deadline date.

- The application can be submitted by anyone who has practiced aquatic therapy.
- The following documents are required by deadline
 - (2) Letters of Recommendation which site the contribution(s) to the field of Aquatic Physical Therapy of the candidate. These letters must include a defense of why this individual is worthy to receive the only award that the Aquatic PT Section allows for non-members to be eligible; include published research/documentation if possible.
 - Summary description of the candidate's contribution must be included on the application.
